NB.

(1) A “regular booking” is one which is repeated over more than twelve consecutive weeks or three consecutive months. An “occasional booking” is a booking that is non-repeating

within a three-month period.

(2) In all cases, a non-refundable deposit is payable, being the lower of £50.00 or the full cost of hire, as appropriate.

(3) A bond, which is fully refundable if no damage or other breach of the Terms of Hire is occasioned, will be payable in all cases. The minimum bond is £200.00, but certain uses will increase this amount, where special conditions of hire apply, e.g. live music/disco, barbecues, inflatables. These reflect increased risk and experience.

(4) A Village Organisation is defined as one which is based in or around the village, is run for the benefit of village residents and which is represented on the village hall management committee.

(5) Only a Village Organisation shall be exempted from any additional fees that may be levied for access or use of the hall for previous evening preparation (in the case of a 24-hour hire), or where further charges, over and above hire fees, may ordinarily be levied e.g. to allow a barbeque to be used, to allow a bouncy castle to be used, etc.

(6) Access to the kitchen is non-exclusive. If the whole main building is hired then exclusive access to the kitchen may be granted at the discretion of the hall management committee.
